Dear Mr. Katz:

I am writing this letter in support of the Pink Sheets Request for Rulemaking Regarding Member Records of "Short" Positions and Reporting and Public Dissemination. Radva Corporation recently felt compelled to deregister with the SEC due to the increased cost of compliance related to Sarbanes-Oxley and rely exclusively on the Pink Sheets. Therefore, it is in the best interest of our stockholders and the OTC market in general that the activities of the OTC market become more transparent and better regulated. Much needs to be done!

Yours truly,
